ARTICLE 2 – MANAGEMENT’S RIGHTS

Section 1

Except as expressly modified or restricted by a specific provision of this Agreement, all statutory and inherent managerial rights, prerogatives and functions are retained and vested exclusively in CHH, including, but not limited to the rights: to reprimand, suspend, discharge, or otherwise discipline employees for cause; to determine the number of employees to be employed; to utilize part-time, per diem, and temporary employees and volunteers; to hire employees, determine their qualifications and assign and direct their work; to assign on a temporary basis bargaining unit employees to non-bargaining unit positions; to promote, demote, transfer and layoff employees; to set the standards of productivity and the services to be rendered; to determine an employee’s ability to perform assigned work in a satisfactory manner without the benefit of training; to determine the form of compensation for employees; to maintain the efficiency of operations; to determine the personnel, methods, procedures, means and facilities by which operations are conducted; to set the starting and quitting time, the number of hours and shifts to be worked and the workweek; to require, schedule and assign overtime work; to establish and change work schedules and assignments; to use independent contractors to perform work or services or to subcontract

regardless of whether this results in the reduction of bargaining unit positions; to close down or relocate CHH's operations or any part thereof; to expand, reduce, alter, combine, transfer, assign or cease any job, department, operation or service; to require employees to submit to drug and/or alcohol tests and/or criminal background checks and/or driving record checks as requested by CHH; to establish new job classifications and to determine job content; to control and regulate the use of machinery, facilities, equipment and other property of CHH; to introduce new or improved service, testing and maintenance methods, materials, machinery and equipment; to issue, amend and revise policies, rules, regulations and practices; and to take whatever action is either necessary or advisable to determine, manage and fulfill the mission of CHH and to direct CHH's employees.

CHH's failure to exercise any right, prerogative or function hereby reserved to it, or CHH's exercise of any such right, prerogative or function in a particular way, shall not be considered a waiver of CHH's right to exercise such right, prerogative or function or preclude it from exercising the same in some other way not in conflict with the express provisions of this Agreement.

Section 2

No rules, customs, past practices or agreements, other than those expressly contained herein, shall limit or restrict CHH's right to determine the staffing requirements for work to be performed within the scope of this Agreement or the exercise of any other management right. No rules, customs or past practices which limit or restrict productivity, efficiency, the individual and/or joint working efforts of employees, the amount of work which an employee may perform or, in any other way, CHH's right to manage its business shall be permitted.

Section 3

In recognition of CHH's need for operational flexibility, supervisors, volunteers, other non-bargaining unit personnel and/or outside contractors also may perform work normally performed by employees covered by this Agreement.

ARTICLE 3 – UNION MEMBERSHIP AND DUES CHECK OFF

Section 1 Maintenance of Membership

(a) As permitted by applicable law, all employees covered by this Agreement who are members of the Union shall, as a condition of employment, remain members over the full duration of this Agreement. Any employee who becomes a member of the Union during the term of this Agreement shall, as a condition of employment, remain a member of the Union during the terms of this Agreement. Any new employee shall, as a condition of employment, become a member of the Union upon completion of thirty (30) days of continuous employment and shall remain a member of the Union during the term of this Agreement. For the purposes of this Article, an employee shall be considered a member of the Union in good standing if the member timely tenders their periodic dues and standard assessments.

(b) An employee who has failed to maintain membership in good standing as required by this Article shall, within twenty (20) calendar days following receipt of a written demand from the Union requesting their discharge, be discharged to the extent permitted by law if, during such period, the required dues and standard assessments have not been tendered.

Section 2 Check-Off

(a) Beginning no later than sixty (60) days following the latter of ratification of this Agreement and the Union's submission of information to CHH regarding the structure of the dues deductions, CHH will, upon receipt of a written authorization from an employee and pursuant to such authorization, deduct from the wages due said employee each pay, deduct from the wages due said employee each pay, starting not earlier than the first pay period following the receipt of such authorization, and remit to the Union at its principal office regular dues, fees and standard assessment as fixed by the Union. A copy of the report of such payments shall be sent to the Local Treasurer.

(b) CHH will be relieved from making such check-off deductions upon (a) termination of employment, or (b) transfer to a job other than one covered by the bargaining unit, or (c) lay-off from work,

(d) an approved Leave of Absence, or (e) revocation of the check off authorization, in accordance with its terms or with applicable law. This provision, however, shall not relieve any Union members of the obligation to make the required dues and assessment payments pursuant to the Union constitution in order to remain in good standing.

(c) CHH will not be obliged to make deductions of any kind from any employee who, during any month involved, shall have failed to receive sufficient wages to equal the deductions.

(d) Each month, no later than the fifteen (15th) of the month, CHH shall remit to the Union at its principal office, deductions made from the wages of employees for the preceding month, together with a list of all employees from whom deductions have been made and a listing of the deduction made from each employee. The report of dues deduction shall be provided electronically in a spreadsheet format.

Section 3

CHH will furnish the Union each month with the names of newly hired employees, their addresses, their employee identification numbers, classifications of work, department, their dates of hire, full time or part time status, shift and phone number, the names of terminated employees, together with their dates of termination, changes of addresses, or names reported by employees and names of employees on leave of absence.

Employees shall promptly notify CHH and the Union of changes in their addresses and names.

Section 4

On August 1st of each year, CHH shall furnish the Union Local Secretary with a list containing the names, addresses, classifications and locations of work, their dates of hire into a bargaining unit position, and current hourly rate for all employees in the unit.

Section 5

The Union agrees to indemnify and hold CHH harmless against any and all claims, demands or suits (including attorney's fees) brought by third

parties, including employees, that may arise out of or by reason of action taken or not taken by CHH for the purpose of complying with this Article including the deduction of dues and fees.

Section 6 Political Action Check Off

Beginning no later than sixty (60) days following the ratification of this Agreement and the Union's submission of information to CHH regarding the structure of the deductions, CHH agrees to enable voluntary contributions to the PASNAP PAC political advocacy fund through a payroll check-off provision. Upon receiving the check-off authorization, CHH shall deduct such funds from each payroll and forward such to PASNAP once per month along with a list of contributors, no later than the 15th of the following month.

Section 7 Agency Fee

(a) All present employees who are not Union members, and who do not become and remain members in the future, shall, as permitted by law, as a condition of employment, effective the date of this Agreement, pay to the Union each month an Agency Fee in the amount equal to the regular monthly dues (not including initiation fees, fines, assessments, or any other charges uniformly required as a condition of acquiring or retaining membership) of the Union, less the cost for the previous Union fiscal year of its activities or undertakings which were not reasonably employed to implement or effectuate the duties of the Union as exclusive bargaining representative.

(b) The Union shall provide CHH with the name of each non- member who is obligated to pay an Agency Fee, the amount of the fee to be deducted from the salary or wages of each non- member, which shall be a percentage of the regular monthly dues payment. Beginning no later than sixty (60) days following the latter of ratification of this Agreement and the Union's submission of an Agency Fee deduction authorization, CHH will deduct the Agency Fee in accordance with the schedule, as permitted by law, and promptly transmit the amount deducted to the Union.

(c) CHH shall be relieved from making such "check-off" deductions upon (a) termination of employment, or (b) transfer to a job

other than one covered by the bargaining unit, or (c) lay-off from work, or (d) an approved Leave of Absence, or (e) revocation of the check-off authorization in accordance with its terms or with applicable law.

(d) CHH shall not be obliged to make deductions of any kind from any employee who, during any month involved, shall have failed to receive sufficient wages to equal the deductions. Employees returning from Leave of Absence shall have their check-off continued or resumed immediately.

ARTICLE 4 – UNION ACTIVITY/VISITATION/BULLETIN BOARDS

Section 1

Except as provided in this Agreement, no employee shall engage in any Union activity, including distribution of literature during the employee's working time or in working areas of any facility owned or operated by Temple University Health System ("TUHS") or any of its subsidiaries or affiliates (collectively, "the Company"), at any time.

Section 2

The Union will designate members to act as shop stewards/delegates. Delegates will be given reasonable opportunity, consistent with CHH's operational needs, to investigate grievances and to otherwise carry out union business. In every instance when such time is needed, the delegate will first secure the permission of their immediate supervisor before temporarily leaving their work station. Any abuse such as roaming, taking excessive time, or not limiting activities to union matters shall be grounds for discipline. As with other members of the bargaining unit, a delegate conducting union business on lunch or break time will not therefore receive additional lunch or break time.

Section 3

A duly authorized officer or staff representative of the Union, after first reporting and receiving permission of the VP of Human Resources or their duly authorized representative, shall have reasonable access to the bargaining unit employees' work areas at Company facilities at

reasonable times for the purpose of administering the terms of the collective bargaining agreement. Permission will not be unreasonably denied. Such visits shall not interfere with the operations of the Company. The duly authorized officer or representative may not access non-public areas of the Company unless escorted by a person approved by management.

Section 4 Bulletin Boards

CHH will provide two (2) designated bulletin boards that may be used by the Union for the purpose of posting official Union notices.

Section 5 Orientation

CHH will give newly-hired bargaining unit employees the opportunity to attend a thirty (30) minute presentation by the Union during the employee's orientation period. If the employee is participating in a formal on-site group orientation, the Union's presentation will take place in person during the period of the on-site orientation. Otherwise, the Union's presentation may occur virtually.

ARTICLE 5 – NO STRIKE NO LOCKOUT

Section 1

In consideration of CHH's commitment as set forth in Section 3 of this Article, the Union, its officers, agents, representatives, stewards, committeepersons and members, and all other employees shall not, in any way, directly or indirectly, instigate, lead, engage in, authorize, cause, assist, encourage, participate in, ratify or condone any strike, sympathy strike, slowdown, work stoppage, or boycotting (whether primary or secondary) of CHH, or any other Company subsidiary or location or any of their employees or officers, or any other economic action of whatsoever nature, or any interference with or interruption of work at any of CHH's operations. This will not prevent the Union from engaging in informational picketing that is not designed to persuade any employee to cease working at any of CHH's operations.

Section 2

The failure or refusal on the part of any employee to comply with the provisions of this Agreement shall be cause for immediate discipline, including discharge, at the sole discretion of CHH. The failure or refusal by a Union officer, agent, representative, steward or committee member to comply with the provisions of Section 1 of this Article constitutes leading and instigating a violation of said Section 1, it being specifically agreed that the Union officers, agents, representatives, stewards and committee members, if employed by CHH, by accepting such positions, have assumed the responsibility of affirmatively preventing violations of Section 1 of this Article by reporting to work and performing work as scheduled and/or required by CHH.

In any arbitration proceeding contesting discipline imposed on an employee under Section 1 of this Article, the arbitrator's jurisdiction shall be limited to determining whether any conduct prohibited in Section 1 occurred and whether the employee(s) whose discipline is the subject of arbitration in any manner engaged in conduct prohibited by Section 1. If the arbitrator finds that the employee(s) in any manner engaged in conduct prohibited by Section 1, the arbitrator shall deny the grievance(s) giving rise to the arbitration and shall have no authority to modify or alter the discipline imposed by CHH.

Section 3

CHH agrees that there shall be no lockout of employees during the term of this Agreement.

Section 4

In the event of an alleged violation of Section 1 of this Article by the Union or violation of Section 3 of this Article by CHH, CHH or the Union, respectively, may institute expedited arbitration proceedings regarding such alleged violation of Section 1 or Section 3, respectively, by delivering notice thereof by hand delivery or facsimile or electronic mail to the Union or to CHH and to the American Arbitration Association. Immediately upon receipt of such notice, the American Arbitration Association shall appoint an arbitrator to hear the matter. The arbitrator shall determine the time and place of the hearing, give

notice thereof by facsimile and hold the hearing within twenty-four (24) hours after the appointment.

The fees and other expenses of the arbitrator in connection with this expedited arbitration proceeding shall be shared equally by CHH and the Union. The failure of either party or any witnesses to attend the hearing as scheduled and noticed by the arbitrator shall not delay the hearing and the arbitrator shall proceed to take evidence and issue an award and order as though such party or witness were present. The sole issue at the hearing shall be whether a violation of Section 1 or Section 3 of this Article has occurred or is occurring and the arbitrator shall not consider any matter justifying, explaining or mitigating such violation.

If the arbitrator finds that a violation of Section 1 or Section 3 of this Article is occurring or has occurred, the arbitrator shall issue a cease and desist order with respect to such violation. The arbitrator's written opinion, award and order shall be issued within twenty-four (24) hours after the close of the hearing. Such award and order shall be final and binding on CHH and the Union.

Section 5

In the event of an alleged violation of Section 1 or Section 3 of this Article to which Section 4 of this Article is applicable, CHH or the Union, respectively, may immediately apply to a court of competent jurisdiction for injunctive relief, including a temporary restraining order, prohibiting the continuation of such an alleged violation pending submission of the matter to arbitration and the issuance and enforcement of the arbitrator's order.

Section 6

In addition to any other remedy set forth in this Article, CHH, or the Union, without submitting the issue of damages to arbitration, may institute, in any court of competent jurisdiction located within the Commonwealth of Pennsylvania, an action against the other party for damages suffered as a result of conduct by the other party which constitutes a violation of this Article. The remedies set forth in this Article are not exclusive, and CHH or the Union may pursue whatever other remedies are available at law or equity.

Section 7

Upon notice from CHH of employee's violation of Section 1, the Union, within one hour or as soon as reasonably possible, but in no event more than one day, shall: publicly disavow such action; and go to the site of the work stoppage or other action to advise participants that the work stoppage or other action is unauthorized, in violation of the current labor agreements and direct that the participants return to work.

ARTICLE 6 – EMPLOYEE CLASSIFICATION

Section 1

Probationary Employees

New employees will be on probation for the first ninety (90) days after hire or transfer into a position in the bargaining unit, excluding time lost for sickness and other leaves of absence. The probationary period for part-time employees will be equivalent hours based on a 40 hour work week, but will not exceed six (6) months, excluding time lost for sickness and other leaves of absence, Per diem employees shall be considered probationary until they have worked 500 hours or twelve (12) months, whichever comes first.

CHH may extend the probationary period of any employee for an additional thirty (30) calendar days upon notice to the Union. The termination or suspension of any probationary employee shall not be subject to the grievance and arbitration provisions of this Agreement. Upon satisfactory completion of the probationary period, bargaining unit seniority is dated from the first probationary day with CHH. Subject to the above, and unless specified in the Agreement, all provisions of the collective bargaining agreement apply to probationary employees.

Section 2

Regular: Regular employees are employees who have successfully completed a probationary period. They are considered as employees who are regularly scheduled to work a normal work week. A regular/full-time employee is eligible to receive full benefits subject to the terms and conditions of each benefit. A part-time employee who is hired to work an average of twenty (20) hours per week or more over each pay period will receive benefits on pro-rated basis.

Full-Time: Full time employees are employees who are hired to work thirty-five (35) hours or more per week.

Part-Time: Part time employees are employees who are hired to work less than thirty-five (35) hours per week. Part-time employees who are hired to work less than an average of twenty (20) hours per week over each pay period are not eligible for benefits except as specifically provided in this Agreement.

Temporary: Temporary employees are employees who are neither regular full-time, nor regular part-time employees, who work for CHH on a regular basis for a period not to exceed six (6) consecutive months with no guarantee of on-going employment. Employees will be notified that they are being hired on a temporary basis at the time of hire. Temporary employees may be used by CHH to replace regular employees when such regular employees are off due to illness or other absence or to supplement the workforce during periods of temporary staffing needs. Temporary employees are not part of the bargaining unit and are not covered by this Agreement. If a temporary employee is hired into a bargaining unit position at the conclusion of their temporary employment, upon completion of their probationary period they will be granted bargaining unit seniority as of their original hire date as a temporary employee.

Per Diem: Per diem or pool employees are employees who are neither regular full-time, nor regular part-time employees, who are available to work for CHH indefinitely on an “as-needed” basis.

ARTICLE 7 – SENIORITY

Section 1 Definition

(a) TUHS seniority is defined as the length of continuous service, in any status, of an employee with all entities of the Company combined since their most recent hire date. TUHS seniority also includes any credited service at the time of the employee’s hire through acquisition of CHH by the Company. TUHS seniority may also be referred to as Accrual Service Date. TUHS seniority will be used for vacation accrual.

(b) Bargaining unit seniority is the total length of time an employee has been employed in a position covered by this Agreement since the employee's last hire date. Bargaining unit seniority also includes any credited service at the time of the employee's hire through acquisition of CHH by the Company.

(c) Credited service under this Section may be adjusted if the employee submits documentation acceptable to the Company.

(d) When two employees have the same bargaining unit seniority date, seniority will be determined by the alpha sequence of the last name.

(e) CHH will provide the Union with a seniority list quarterly containing employees' classification, status (full-time, part-time, per diem), and department.

Section 2

An employee will lose all seniority in the following circumstances:

- A. Voluntary resignation or retirement;
- B. Discharge for cause;
- C. Absence from work for two consecutive workdays without notifying CHH unless the employee is subsequently excused by CHH or unless the employee was unavoidably prevented from contacting CHH because of an extreme emergency;
- D. Failure to return to work from layoff within seven (7) calendar days following delivery of notice by certified mail from CHH unless an extension is granted by CHH;
- E. Failure to report to work at the end of an approved leave of absence, including an approved FMLA leave, unless an extension is granted by CHH;
- F. Maintaining any employment outside of the Company while on FMLA leave or workers' compensation leave;

G. Layoff more than twelve (12) months.

ARTICLE 8 – LAYOFF AND RECALL

Section 1

If CHH determines that it is necessary to reduce the number of employees within a job classification within a department, CHH will seek volunteers to be laid off first. If there are insufficient volunteers, CHH will lay off full-time and regular part-time employees in the impacted job classification within the department in reverse order of bargaining unit seniority.

For purposes of layoff and recall, the departments are:

Endoscopy	Radiology-Diagnostic Imaging
Heart Station	Radiology-Mammography
Laboratory	Radiology-MRI
LPNs	Radiology-Nuclear Medicine
Operating Room	Radiology-Special Procedures
Pulmonary Function Testing Lab	Radiology-Ultrasound
Radiology-Cat Scan	Respiratory

For purposes of layoff within the Respiratory Department, Respiratory Therapist Certified and Respiratory Therapist Registered will be considered one classification.

An employee who has less seniority may be retained due to special training, knowledge or ability. If this occurs, CHH will state the reason in writing to the Union and the affected employee.

Section 2

Employees scheduled to be laid off will be entitled to four (4) weeks' notice or pay in lieu thereof.

Section 3

A non-probationary employee who is scheduled to be laid off from a department may bid for a posted, vacant position for which the employee is qualified. The position will be awarded in accordance with Article 9 – Vacancies and Transfers. If the employee does not successfully complete the evaluation period and the employee is unable to find another position for which they are qualified, the employee will be laid off.

Section 4

If CHH determines that it is necessary to fill a vacancy in a job classification in a department from which employees were laid off, such employees shall be recalled in reverse order of their layoff.

Laid off employees shall be eligible for recall for a period not to exceed twelve (12) consecutive months or the length of an employee's service, whichever is less.

Section 5

CHH will forward notification of the recall by certified mail, return receipt requested, and regular mail to the laid off employees' last known address. A copy of the return receipt notification will also be sent to the Union. Within seven (7) calendar days of delivery or attempted delivery of the notice, the employee must notify CHH of their intention to return to work on the date specified in the recall notice and return to work on that date unless an extension is granted.

Section 6

An employee who fails to respond to a recall notice, refuses recall, or who fails to return to work on the date specified in the recall notice after providing CHH with notice of the employee's intention to return, will be deemed to have abandoned employment and shall have no further recall rights.

An employee who accepts recall to a position working fewer hours than the employee worked at the time of layoff shall retain recall rights to a position with additional hours for one (1) year following recall.

ARTICLE 9 –VACANCIES AND TRANSFERS

Section 1

This Article shall apply to transfers into positions within the bargaining unit and to promotions to positions within the bargaining unit at a higher pay grade. This Article does not apply to promotions or transfers outside the bargaining unit, which are at the Company's sole discretion.

Section 2

When a position becomes available, it will be posted electronically for seven (7) consecutive calendar days and simultaneously emailed to employees assigned to the unit. Employees may apply for posted positions using the Company's online application system.

Section 3

The position will be awarded to the employee within the same department who has the greatest skills, ability, job performance and qualification, including certifications and specialized training, of the applicants. If all factors are equal, the position will be awarded to the employee within the same department who has the greatest bargaining unit seniority.

Section 4

If no employee in the same department applies for the position, CHH will award the position to the bargaining unit employee or external applicant who has the greatest skills, ability, job performance (if applicable) and qualification, including certifications and specialized training, of the applicants. If all factors are equal, the position will be awarded to the bargaining unit employee who has the greatest bargaining unit seniority, as long as they are qualified for the position. Employees interviewed will be notified in writing if not selected.

Section 5

A change in scheduled work hours (including a change in the employee's assigned shift length) or scheduled work days will not be considered a transfer and is not required to be posted as provided for in Section 1, but will be subject to supervisory approval based on operational need. If an employee wishes to change their scheduled work hours or work days or reduce the number of hours they are scheduled to work, the employee will submit a request to their manager outlining the requested change. CHH will make an effort to honor the request when consistent with operational need, provided that the employee continues to work the minimum hours required to maintain their status (full-time, part-time, per diem).

Section 6

Any transfer of bargaining unit employees to a different position under this Article will take place as soon as practicable based on CHH's operational need. The transfer will occur within sixty (60) calendar days unless the delay is related to the need for compliance documentation. An employee who transfers to a different position in the same department will not be required to serve an evaluation period.

Section 7

Employees cannot transfer to a position outside of their department for twelve (12) months after their hire date. CHH may, but is not required to, waive this restriction if the new hire is the only qualified employee that applies for the open position. An employee who transfers to a position on another unit, is not eligible to apply for another bargaining unit position for six (6) months.

Section 8

An employee with a written warning or greater discipline that is considered active for purposes of progressive discipline in accordance with Article 10 - Discipline is not eligible to transfer to another position for a period of one (1) year following the infraction.

Section 9

An employee who is transferred to a bargaining unit position in another department pursuant to this Article will serve a ninety (90) calendar day evaluation period in their new position. If the employee does not successfully complete the evaluation period, the employee will be returned to their former position, if vacant, or an equivalent bargaining unit position in their former department for which they are qualified, if available. If an applicable position is not available, the employee will be considered laid off and placed on recall.

An employee who is disciplined or discharged during the evaluation period for disciplinary reasons will continue to be able to utilize the grievance and arbitration provisions of this Agreement.

The decision to remove an employee from their position for failure to successfully complete the evaluation period will not be subject to the grievance and arbitration provisions of this Agreement unless there is no available bargaining position for which the employee is qualified. In any arbitration permitted under this paragraph, the Union will bear the burden of proof, the only question before the arbitrator will be whether CHH followed the practices within the unit for assessing employee performance in their new position, and the arbitrator will have no authority to substitute the arbitrator's judgment for that of CHH in determining the qualifications of the employee in their new position.

Section 10

An employee who transfers to a bargaining unit position in another department may voluntarily return to their previous position within sixty (60) calendar days of their transfer date, if the position is still available. If the employee returns to their previous position, they cannot apply for another transfer outside of their department for twelve (12) months from the date they return. If their position, or an equivalent bargaining unit position in their former department for which they are qualified, is not available, the employee may choose to be considered laid off and placed on recall.

An employee who is transferred to another department may be returned to their previously held position at the request of CHH if there is a reduction or layoff in their new department within sixty (60) calendar days following the transfer, provided a vacancy exists in their former

department. An employee who is returned to a former department by CHH under this provision will be given the reasons for the decision and may appeal through the grievance and arbitration procedure.

Section 11

If it is necessary to close or reduce a department or unit, CHH will follow the provisions of Article 8 Layoff and Recall.

ARTICLE 10 – DISCIPLINE

Section 1

The Company shall have the right to discipline any employee for just cause.

Section 2

The Union shall be provided with copies of all written disciplinary notices received by the Human Resources Department. If a Union representative is not present when the disciplinary notice is issued, the notice shall be provided electronically to the Union at the email address the Union provides to the Labor and Employee Relations Office.

Section 3

Disciplinary infractions will not be considered for purposes of progressive discipline after one (1) calendar year if the employee does not receive any other disciplinary infractions during that year. After one (1) calendar year, a disciplinary infraction will not prevent an employee from transferring under Article 9 (Vacancies and Transfers). The prior discipline may still be considered for any other purpose, including demonstrating that the employee was on notice of prohibited conduct.

Section 4

CHH may suspend an employee without pay during an investigation for up to five (5) scheduled shifts of the employee involved. If CHH is not prepared to make a determination at that point, any remaining suspension shall be with pay. Return to paid status will not prejudice CHH's rights in grievance and arbitration. This limitation shall not apply if the bargaining

unit member is uncooperative or unavailable during the investigation or where criminal charges have been filed the Police Department, District Attorney's Office, or US Attorney's Office that would constitute a felony. If no arrest or indictment occurs within six (6) months of filing charges, the employee will be reimbursed for regular pay lost beyond the first five (5) scheduled shifts of the employee.

Should an employee not be suspended during the investigation step, the parties agree that the absence of a "suspension pending investigation" does not determine whether there should be discipline or the level of the discipline.

ARTICLE 11 - PERSONNEL PRACTICES

Section 1 **Personnel Evaluations**

Any employee whose job performance or conduct becomes subject to evaluation shall have the right to participate in a review of such evaluation. Evaluation of an employee shall be performed by a supervisor with knowledge of the employee's performance and electronically signed by the employee. Such signature shall signify only that the evaluation has been reviewed with the employee and shall not indicate concurrence in the content of the evaluation. The parties agree that evaluations are intended as a development tool and will not be the basis of employee compensation. Any employee who is aggrieved by the content of such evaluation shall have the right to place a written response in the employee's personnel file. This section shall not be subject to the grievance and arbitration process.

Section 2 **Access to Personnel Files**

Any employee and/or the Union, with the employee's written consent, shall have the right to review the contents of the employee's personnel file to determine any matter affecting such employee; however, the foregoing shall not apply to any pre-employment materials. Materials addressing an employee's performance or conduct that have not been shown to the employee may not be used as a basis for discipline.

Notice to review such files shall be given by the employee or the Union in writing to the Company and the files shall be made available by the

Company within ten (10) working days after receipt of such notice. The Union agrees not to utilize this right in an abusive or excessive manner.

Section 3 Video Cameras and Surveillance

CHH agrees that the installation of video surveillance cameras is intended for safety and security of the hospital grounds, patients and staff, and it is not intended to be used to surveil staff in order to initiate discipline. If video records are reviewed during an investigation that could lead to discipline, such videos will be shared with the Union. Cameras shall not be placed in break rooms intended primarily for the use of staff.

ARTICLE 12 – GRIEVANCE PROCEDURE

Section 1

All differences or grievances that may arise between the parties pertaining to the application, interpretation, or compliance of this Agreement shall be subject to the grievance and arbitration procedure, except that disputes arising under health and welfare (including medical, dental, vision, prescription, disability, life insurance) or retirement benefit plans must be raised only through the procedure provided by the plan.

Grievances that concern the entire bargaining unit shall follow the normal grievance and arbitration process.

Without waiving its statutory or management rights, a grievance on behalf of CHH may be presented initially at Step 2 by notice in writing addressed to the Union at its offices.

STEP ONE: An employee(s) and/or the local Union representative, if requested, shall present a grievance in writing to the Labor and Employee Relations Department and discuss it with the employee's immediate supervisor within ten (10) calendar days after it arose or should have been known to the employee. The supervisor will respond in writing to the employee and the local Union representative, if requested, within ten (10) business days after the presentation of the grievance.

STEP TWO: If the grievance is not settled at Step One, the grievance may, within ten (10) calendar days after the answer in Step 1, be presented in Step Two. A grievance shall be presented in this step to the Labor and Employee Relations Department.

The Labor and Employee Relations Department shall hold a hearing within thirty (30) calendar days, unless such hearing is waived by either the Union or the Labor and Employee Relations Department with notice to the other party. If the hearing is waived, the Labor and Employee Relations Department shall answer the grievance within ten (10) business days of notification of the waiver. Upon presentation of the grievance, the Union shall offer available dates and times for the hearing that shall not be limited to work days. If a hearing is held, the grievance shall be answered within ten (10) business days following the hearing.

Section 2

The Union shall be provided with copies of all disciplinary actions. All such notices will be provided in writing. Providing a copy to the delegate will be considered providing it to the Union. If a Delegate is not present at the issuance of the discipline, the document will be forwarded electronically to the Union at the email address provided to the Labor and Employee Relations Department.

Section 3

All time limits herein specified may be extended by mutual agreement in writing. Extension requests shall be initiated to and from the Grievance Chair or PASNAP Staff Representative and the Labor and Employee Relations Department.

Section 4

Failure on the part of CHH to answer a grievance at any step shall not be deemed acquiescence thereto, and the Union may proceed to the next step. In the event that the Union does not make a timely appeal at any level of the grievance procedure, the matter shall be deemed settled on the basis of the Company's last response when the Company has responded, in writing, in a timely manner. In the event that the Company does not make a timely response at any level of the grievance procedure,

the grievance shall be deemed denied and the time for the Union to proceed to the next step shall begin to run on the date that the Company's response was due.

Section 5

If no appeal is taken within the time limits specified in this Agreement, the grievance will not be considered subject to the grievance and arbitration provisions of this Agreement.

Section 6

An employee who has been suspended or discharged, or the Union on the employee's behalf, may file a grievance at Step 2. A grievance that affects a substantial number or class of employees may initially be presented at Step 2. If the Union believes a grievance is a contract interpretation grievance, the grievance shall be submitted at Step 2 so that the Labor and Employee Relations Department may determine whether it should be initially heard at Step 2.

Section 7

Union participants at the second step grievance hearings may include, in addition to the grievant, the grievant's local union representative, a PASNAP staff representative, the grievance chair, and fact witnesses to the events, if any. Any grievance hearings will be held at mutually agreeable times. The Union shall provide to CHH in advance of the hearing the names of any witnesses, in addition to the grievant, whose presence is requested.

Section 8

If the agreed-upon time occurs during the working hours of a grievant, the grievant's delegate, or the grievance chair, CHH will make reasonable efforts to release the employees from work for the purpose of the hearing. If the grievance is a class action grievance concerning the application of contract language, members of the class shall be permitted to attend (operational needs permitting). Release will be limited to one (1) employee from the class from each department affected, when

operational needs permit, unless staffing allows for additional members of the class to be released.

The Union may designate, in addition, one (1) delegate orientee to attend any grievance hearing as an observer while not on work time. Attendance in the role of orientee shall be limited to three (3) hearings for any delegate. A delegate orientee may not participate in any way at the hearing and may not be called by the Union as a witness in any other proceeding pertaining to the grievance attended.

ARTICLE 13 – ARBITRATION

Section 1

A grievance that has not been resolved may, within thirty (30) working days after completion of Step 2 of the grievance procedure, be referred for arbitration by CHH or the Union to the American Arbitration Association (AAA). The Union must notify the VP of Labor and Employee Relations when it does so.

Prior to appealing to arbitration, by mutual agreement CHH and the Union may request mediation to resolve the grievance.

Section 2

Any arbitration will proceed in accordance with the voluntary labor rules of AAA. The fees and expenses of the arbitrator shall be borne equally by both parties. Each party shall bear the cost of preparing and presenting its own case. Either party desiring a record of the proceedings shall pay for the record and make a copy available without charge to the arbitrator.

Section 3

The decision of the arbitrator shall be final and binding upon both parties and the employee.

Section 4

The arbitrator shall have jurisdiction only over grievances after completion of the grievance procedure and he/she shall have no power to

add to, subtract from, or modify in any way any of the terms of this Agreement.

Section 5

If the discipline, suspension or discharge of an employee results from conduct relating to a patient and the patient does not appear at the arbitration, the arbitrator shall not consider the failure of the patient to appear as prejudicial to either party. The term "patient" for the purposes of this Agreement shall include those seeking admission, those seeking care or treatment, and those already admitted, as well as a person accompanying a patient in seeking or receiving care.

Section 6

Only one (1) grievance shall be scheduled for the same arbitration hearing except by mutual agreement of the Parties.

Section 7

Employees and CHH will make efforts to arrange schedules to allow a grievant to attend arbitration on their own behalf. If such request by the grievant is made at least three (3) weeks prior to the arbitration hearing, such arrangement shall be made by adjusting the employee's work schedule. If the employee does not wish to rearrange their work schedule, they shall be permitted to use a personal or vacation day or take the day without pay. A nightshift employee will be released from the shift before or after the arbitration, as appropriate. If a hearing requires multiple days and schedules cannot be adjusted due to short notice of a subsequent date, CHH will make every effort to release the grievant including reassignment or rescheduling of other employees.

ARTICLE 14 – LABOR-MANAGEMENT COMMITTEE

Section 1

The parties shall establish a Labor-Management Committee to consider matters affecting the relations between the Company and the Union; provided, however, the Committee shall not engage in negotiations, nor

shall the Committee consider matters that are properly the subject of a grievance.

Section 2

The Committee will be comprised of no more than three (3) Union officers or staff representatives and three (3) employee Union representatives and no more than six (6) Company representatives. The number of members may be adjusted by mutual agreement.

Section 3

The Committee may meet at mutually convenient times no less than bimonthly, unless otherwise agreed by the parties, and may convene a meeting at the request of either party. The agenda will be mutually determined and provided to all Committee members at least five (5) working days in advance.

ARTICLE 15 - HOURS OF WORK

Section 1

(a) Employees are scheduled to work the number of hours for which they are hired on a weekly basis excluding eligible bargaining unit pool employees.

(b) Nothing herein contained shall be considered a guarantee of work.

(c) Staffing needs will be fulfilled with a combination of shift lengths determined by CHH. CHH will have the right to create new shift lengths or discontinue existing shift lengths based on operational needs. CHH will provide the Union with at least twenty-one (21) days' notice if it creates new shift lengths or discontinues an existing shift length and will meet and discuss with the Union the impact of the change on existing employees, if any. When shift lengths are being changed for current employees and schedules cannot be adjusted through the use of volunteers, employees will be assigned to new shift lengths by seniority among employees with the necessary skills and abilities when consistent with operational needs.

(d) The normal starting time of a shift shall determine the day of the shift and the rate of pay for work performed on that shift. The workweek shall commence at 12:00 a.m. Sunday and end at 11:59 p.m. Saturday.

(e) Employees may be required to work no more than every other weekend. This does not apply to weekends that are worked as part of any holiday rotation, make-ups for call outs for scheduled weekends in departments where such make-ups are currently required, or emergency situations. The parties recognize that there are departments that currently work less than every other weekend, and such weekend rotation may continue when operationally feasible. The parties acknowledge that departments that currently require employees to make up weekend call-outs may continue to do so. If CHH wants to change the number of weekends required by staff in any department or require staff to make up missed weekends, CHH will provide the Union with at least twenty-one (21) days' notice and will meet and discuss with the Union the impact of the change on existing employees upon request.

(f) Employees may be specifically hired to work a schedule that includes weekends as a part of their permanent schedule.

Section 2 Meal and Rest Breaks

(a) Employees will be permitted to have one (1) rest period of fifteen (15) minutes during a shift of eight (8) hours or more when department operations permit. This is not intended to reduce the number of rest periods in departments that currently permit additional rest periods when operations permit. Employees will not be entitled to additional pay for missed rest periods.

(b) A non-exempt employee working a shift of eight (8) hours or more will be entitled to an unpaid meal break of thirty (30) minutes. If circumstances prevent the employee from taking a meal break, the employee must attempt to notify their manager/supervisor before the end of the shift when operationally feasible and provide the reasons the employee was unable to take the meal break. The manager may explore the ability for the employee to take a break or authorize payment at the appropriate rate of pay if no meal break is possible. With

supervisory approval, employees may bundle one or more breaks with their lunch period.

Section 3 Notification of Advanced Cancellation.

(a) When no work is available and it is necessary to cancel an employee's shift before it starts, CHH will provide the employee at least ninety (90) minutes notice before the start of their scheduled shift.

(b) If an employee is notified less than ninety (90) minutes before the start of their scheduled shift that there is no work is available, and the employee reports for work on their regular shift, but no work is available for the employee, a non-exempt employee will receive two (2) hours of pay at their regular rate of pay (including any applicable shift differential) unless the employee volunteers to have their shift cancelled. This time will not be considered hours worked for purposes of overtime calculations.

(c) For purposes of this Section, an employee will be deemed to have been notified by CHH, if CHH and/or the RMC telephoned and left a voice message or sent a text message not to report at the telephone number supplied to CHH by the employee for this purpose. The time stamp in the manager's/RMC's phone will be considered proof of notification.

(d) In the event that strikes, stoppages in connection with labor disputes, breakdowns of equipment, fire, flood, or acts of God interfere with work being provided, the notice provisions of this Section do not apply.

Section 4 Scheduling

(a) Work schedules for a calendar month showing the employee's shifts, work days and hours and call assignments, where applicable, will be posted no later than the 10th of the previous month. In departments that currently utilize a six week schedule, the schedule will be posted at least three (3) weeks in advance. Employees within a unit may exchange shifts within a posted schedule with the prior agreement of the manager. Schedules will reflect the date that they are posted.

(b) Open shifts shall be posted no later than the time the schedule is posted.

(c) Employees will not be involuntarily scheduled to work for more than 120 hours in a two (2) week pay period. On-calls hours, voluntary additional shifts or hours, and extensions of shifts will not be subject to this limitation.

(d) Work schedules will be developed by scheduling regular hours, including agency staff with contractually guaranteed hours (referred to as “blocked agency”), followed by qualified pool based on availability. Thereafter, all interested employees may express an interest in the open shifts. Shifts will be assigned in the discretion of management, who shall work with the scheduling committee, if applicable, to assign open shifts that are known at the time the schedule is developed as follows: (1) regular part-time employees, pool employees, and full-time employees working straight time; (2) staff working overtime; (3) agency staff. Shifts will be offered equitably within these groups.

(e) Once the final schedule is posted, it will not be changed without the employee’s agreement. The parties recognize that in extraordinary circumstances, such as an unforeseeable declared national, state or local emergency, natural disaster, or widespread disease outbreak, it may not be possible to follow the final schedule. In such extraordinary events, CHH will first attempt to make such adjustments by use of volunteers.

Section 5 Cancellation

(a) CHH maintains discretion to reduce staff on the basis of operational and economic considerations. The order of cancellation will as follows unless the employee scheduled for cancellation possesses a specialty skill that is required:

1. Non-blocked agency
2. Staff working incentive shifts (if there are multiple people on incentive shifts, volunteers will be sought from among those working incentive shifts when feasible)

3. Staff working overtime (if there are multiple people on overtime, volunteers will be sought from among those working overtime when feasible)
4. Volunteers
5. Part-time employees working additional hours
6. Pool employees
7. Employees working their regularly scheduled hours by rotation within each unit based on the last date of cancellation as long as qualified staff remains.

(b) If two or more employees with the same qualifications have requested voluntary cancellation on all or part of a shift, voluntary cancellation will be granted on a first come, first served basis. CHH will make a good faith attempt to grant such cancellation equitably provided that it does not delay implementation of the cancellation or require the department to maintain records of such cancellation.

(c) If an employee is involuntarily cancelled out of turn, the affected employee shall be credited with a cancellation for purposes of rotation.

(d) If an employee has been canceled for any number of hours of their regular shift (“pushed back”) the employee will not be subject to further involuntary cancellation for the remainder of that shift. If there is a need for an additional “push back,” the employee will be given the option to be canceled for the remainder of the shift.

(e) If an employee has started work and is involuntarily canceled, the employee will not be required to return for the remainder of the employee’s scheduled shift unless the employee is scheduled on call.

(f) Those units that determine the cancellation selection at the unit level may continue to do so as long as the selection is conducted in accordance with this Article.

(g) Employees who are canceled may elect to use benefit time or take such time without pay.

(h) Involuntary cancellation for all or part of a shift will be credited as a cancellation for purposes of rotation.

(i) A record of involuntary cancellations will be maintained by CHH and will be made available to employees for review upon request with reasonable advance notice.

Section 6 Reassignment

(a) Employees may be reassigned during their shift to any unit for which they have the required skills and qualifications. If reassignment of staff is necessary, CHH will solicit qualified volunteers from within the department for reassignment from among the staff currently working. If there are not sufficient volunteers, agency will be reassigned first, then qualified pool employees shall be reassigned prior to other eligible staff.

(b) When an employee is reassigned they will be given assignments for which they have the necessary skill and ability.

(c) An employee temporarily assigned to perform work in a higher classification in the bargaining unit or temporarily assigned to act in a lead role will be paid at the higher rate of pay for their actual time worked in that role once they have served in that role for a minimum of two (2) consecutive shifts.

Section 7 Self-Scheduling

(a) Units that use self-scheduling may continue to do so for regular hours and the development of on-call schedules.

(b) On units that use self-scheduling, CHH will set the schedule guidelines. CHH reserves the right in its discretion to modify such guidelines consistent with operational needs, but will notify the Joint Practice Committee in advance of making such a change.

(c) Proposed schedules submitted by staff shall be fair, complete and balanced and must satisfy the established guidelines. The manager may revise the schedule as needed before it is finalized. The manager shall have the final authority over the finalized schedule.

(d) If employees in a department that does not currently use self-scheduling want to move to self-scheduling, the Union may request a labor management meeting to discuss implementation of a self-scheduling model.

(e) In departments that use a scheduling committee or a bargaining unit employee as a scheduler, each employee who is assigned to do the schedule will be given up to three (3) hours total per schedule period to prepare the schedule. This work may be performed during scheduled work hours when consistent with operational needs or may be performed by employees outside of regular work hours with management approval. If the employee is approved to perform the work outside of regular work hours, the employee will receive additional pay for that work at the applicable hourly rate. If the work is performed during scheduled work hours, it will not result in additional pay. If there is only one person who does the scheduling and the employee believes that the work cannot be performed within the three (3) hours, the employee must speak to their manager regarding their need for additional time to complete the schedule. Such time will be approved by CHH in its reasonable discretion.

Section 8 Reporting Absences

Employees must report their absence from work at least two (2) hours before their scheduled start time, unless their unit has a longer reporting time using the applicable departmental reporting procedures.

ARTICLE 16 – OVERTIME

Section 1

Non-exempt employees shall be paid one and one half (1½) times their regular rate of pay for all time worked in excess of forty (40) hours in the workweek.

Section 2

(a) CHH will make overtime opportunities available on an equitable basis among qualified employees.

(b) An employee's normal shift may be extended in the event of an emergency as defined in this Section after CHH first seeks volunteers from among qualified employees on duty. When the need for overtime arises and no volunteers are available, and an employee is required to stay past the scheduled quitting time, CHH will provide to the Union, upon request, the time the need became known and a list of the employees and/or pool staff contacted, with the time of each contact and the response. Whenever possible, the affected employee will be alerted by management a minimum of two (2) hours in advance of a potential requirement for an employee to remain on duty past their quitting time.

(c) Mandatory overtime shall not be required except in emergency circumstances or unanticipated critical needs such as: unpredictable or unavoidable occurrences relating to healthcare delivery that require immediate attention, unforeseen emergency or disaster, other catastrophic events which substantially affect or increase the need for healthcare service. Such assignments shall be made in inverse order of seniority on a rotating basis. Examples of unforeseeable emergency circumstances include, but are not limited to, publicly declared emergencies, a local weather event causing serious disruption to operations, internal emergencies related to a building or operating system failure, or other circumstances that permit mandatory overtime under Pennsylvania Act 102.

Section 3

There shall be no pyramiding of overtime and/or premium pay.

ARTICLE 17 – BONUSES AND INCENTIVES

CHH, in its discretion, may offer incentives or bonuses to employees in the bargaining unit from time to time that are offered to hourly, non-bargaining unit employees of CHH. CHH will provide the Union with notice of the incentives at the time that they are offered.

ARTICLE 18 - RATES OF PAY

Section 1 Wage Rates

(a) Effective the first full pay period that is at least ninety (90) days following ratification, employees in the bargaining unit, other than per diem employees, will be placed on the wage scale in Appendix A based on their years of professional experience functioning in their job title.

(b) Effective the first full pay period in July 2026, the wage scale will be adjusted as shown in Appendix A.

(c) Effective the first full pay period in July 2027, the wage scale will be adjusted as shown in Appendix A.

(d) Except as provided in Section 1(g), at the time that these increases take effect each year, employees will receive the greater of the rates listed in Appendix A based on their level of experience and the percentage shown in Appendix A for the applicable year in lieu of any other wage increase.

(e) Experience credit will be assessed as of the first day of the pay period when the wage increases under this Section take effect.

(f) Any additions to pay that are currently in effect, including, but not limited to, any “adders”, “Florence Nightingale pay,” or any other additions to base pay will be discontinued as of the date of ratification.

(g) Current “adders” or “Florence Nightingale pay” at the time of ratification will be added to the base rate of employees who are currently receiving those payments for purposes of placing employees on the scales. At the time that these increases take effect each year, employees who receive these additions will receive the greater of the rates listed in Appendix A based on their level of experience and a 1% increase (meaning that employees who are above where they would be placed on the scales under this paragraph will receive a 1% increase to their wage rate each year), inclusive of the “adders” specified in this Section 1(g), in lieu of any other wage increase.

Section 2 Preceptor Premium

Employees in respiratory and the operating room who are selected and trained as preceptors will continue to receive preceptor premium when serving as a preceptor in accordance with current practice when assigned by management to do so.

Section 3 Shift Differential

(a) If an employee works the majority of hours within an evening or night shift zone, shift differential will be paid on all hours worked otherwise the shift will pay day rate.

(b) An evening shift is defined as a shift, the majority of the hours of which occur between 3:00 p.m. and 11:00 p.m. For example, if an employee is scheduled to work a shift that begins at 12:00 Noon and ends at 8:00 p.m., they will receive an evening shift differential for all hours worked on such 12:00 Noon to 8:00 p.m. shift. The evening shift differential is \$2.00 per hour.

(c) A night shift is defined as a shift, the majority of the hours of which occur between 11:00 p.m. and 7:00 a.m. For example, if an employee is scheduled to work a shift that begins at 8:00 p.m. and ends at 4:00 a.m., they will receive a night shift differential for all hours worked on such 8:00 p.m. to 4:00 a.m. shift. The night shift differential is \$3.00 per hour.

(d) If an employee is regularly assigned to a shift receiving evening shift or night shift differential, the employee will receive that shift differential when they take vacation.

(e) Departments that have a higher shift differential at the time of ratification of this Agreement, or where shift differential is paid beginning at an earlier time, will continue their existing shift differential.

Section 4 On Call

(a) An employee who is required to remain available for a designated period of time to report to CHH to work in accordance with department policy, is considered to be “on call.

(b) The on call rate is three dollars (\$3.00) per hour. Employees who currently receive a higher on call rate as of the date of ratification will maintain their current rate so long as they remain in an eligible position in the bargaining unit.

(c) An employee who is not at work and is called in to work will be paid for all hours worked at one and one-half times their rate of pay for the time that they actually work. If they are required to report and assigned less than two (2) hours work, they will be paid for two (2) hours at time and one-half their rate of pay. On call pay shall cease when an employee is called to work. Employees who are on call do not receive differentials when called into work.

(d) An employee whose call commences at the conclusion of their regular shift shall not be permitted to work more than 16 consecutive hours except in emergency circumstances or unanticipated critical needs.

(e) An employee who is scheduled to be on call at the conclusion of their shift who is required to continue to work at the end of their regular shift to complete a procedure will be paid for all hours worked with a minimum of two (2) hours at time and one-half their regular rate for the time spent completing the procedure, provided that they are required to stay at least thirty (30) minutes after the end of their regular shift. The employee will not receive on call pay for this time.

(f) On call generally will be equitably rotated, but employees may volunteer for on call in addition to the minimum requirement for their position.

(g) Work expectations for employees who are called into work and who are scheduled to work the following day will be consistent with the current practice for the department in which they work.

Section 5 Pool Rates

(a) Effective when the increases in Section 1(a) take effect, the minimum hourly rate of pay for pool employees will be the rate shown in Appendix A.

(b) Wage adjustments for pool employees, including those with “adders” or “Nightingale pay,” will be made in accordance with Section 1.

(c) Pool employees will receive differentials in accordance with current practice.

Section 6 Lead Positions

Effective when the increases in Section 1(a) take effect, employees in lead positions in radiology will be paid \$3/hour above their rate.

ARTICLE 19 – PERSONAL TIME

Section 1

Full-time employees hired at forty (40) hours per week shall receive twenty-four (24) hours of personal time each fiscal year. Employees hired at thirty-six (36) hours per week shall receive twenty-one point six (21.6) hours of personal time each fiscal year. Part-time employees who are scheduled twenty (20) hours per week or more shall receive personal time each fiscal year pro-rated based on their hired hours. Per diem employees and employees who are scheduled less than twenty (20) hours per week are not entitled to personal time.

Section 2

Personal time shall be scheduled in accordance with current practices for the department in which the employee works. Requests for personal time will not be unreasonably denied in accordance with operational needs. Once personal time is scheduled, it may only be canceled by mutual agreement between CHH and the employee.

Section 3

During the first year of employment, personal time shall be pro-rated as shown below. Employees cannot use personal time during the first thirty (30) calendar days of employment.

- Independence Day (July 4)
- Labor Day (First Monday in September)
- Thanksgiving Day (Fourth Thursday in November)
- Day After Thanksgiving
- Christmas Eve (December 24)

Section 2

(a) Recognizing that CHH works every day of the year and that it is not possible for all employees to be off on the same day, CHH shall have the right, at its sole discretion, to require any employee to work on any of the holidays herein specified. CHH will distribute holidays off on an equitable basis.

(b) Holidays will be scheduled in accordance with the current practices for the department where the employee works. If CHH intends to change the practice for how holidays are scheduled in any department, it will provide the Union with at least ninety (90) days' notice. In a department where the holiday schedule is created more than ninety (90) days in advance, CHH will provide the Union with at least six (6) months' notice of a change in the practice for how holidays are scheduled. Where feasible, CHH will attempt to make adjustments to holiday scheduling by use of volunteers first in an equitable manner at the time that a change in the scheduling practice is made.

(c) An employee scheduled to work on a holiday who obtains another employee to work in their place, with management approval, will be credited for the scheduled holiday.

Section 3

(a) In order to receive holiday pay under this Article, employees must be on active pay status on the holiday. Employees shall be deemed to be in an active pay status while they are on vacation, paid sick leave, workers' compensation of less than eight (8) calendar days, or military leave not to exceed fifteen (15) calendar days.

(b) In order to be eligible for holiday pay, an employee must have worked the last scheduled work day before and the first scheduled work day after the holiday, except in the case of illness or accident preventing the employee from working as evidenced by written certificate of a physician or other proof if requested by CHH. An employee who fails to report for work on a holiday on which they are scheduled to work, shall not receive holiday pay for the unworked holiday.

Section 4

(a) A holiday will be considered to begin at midnight on the holiday and will end at 11:59 p.m. on the holiday. The start time of the shift shall determine whether it is considered a shift worked on a holiday for purposes of both holiday pay and holiday work requirements. If the shift begins during the holiday, the employee will be paid the holiday rate for all hours worked on that shift.

(b) If a holiday falls on an employee's regularly scheduled workday and the employee does not work the holiday, the employee will be paid for up to eight (8) hours of holiday pay, pro-rated as described in Section 1. Employees, at their discretion, may use available paid time off to make up their full FTE for the week. Holiday time will be considered hours worked in the computation of overtime for non-exempt employees.

(c) If a holiday falls on an employee's regularly scheduled day off, the employee will receive holiday time in accordance with this Article to be used within sixty (60) days after the holiday or paid out.

(d) Full-time and regular part-time employees who are scheduled to work twenty (20) hours a week or more who work on the holiday will receive time-and-one-half for all hours worked on the holiday and will receive up to eight (8) hours of holiday time, pro rated as described in Section 1, in accordance with this Article.

(e) Holiday time must be used within sixty (60) calendar days after the holiday or paid out, as determined by CHH. CHH will consider the employee's preference to use holiday time or have it paid out when consistent with operational needs. Holiday time that is paid out is not considered hours worked in the computation of overtime.

(f) Pool employees and part-time employees who are scheduled to work less than twenty (20) hours a week who work on the holiday will receive time-and-one-half for all hours worked on the holiday, but will not receive holiday time.

ARTICLE 21 – VACATION

Section 1

Full-time employees shall accrue paid vacation on a per pay period basis in accordance with the following schedule:

Less than 5 years	36 hours	108 hours	4.16 hours
5 years or more	36 hours	144 hours	5.54 hours

Accrual will be prorated for regular part time employees hired to work twenty (20) or more hours per week. Per diem employees and employees hired to work less than twenty (20) hours per week are not eligible for vacation time.

Section 2

The rate of pay for vacation will be the employee’s wage rate at the beginning of their vacation period.

Section 3

Employees will be eligible to utilize accrued vacation after completion of the probationary period.

Section 4

Holidays that fall within an employee’s approved vacation will be paid as holiday time.

Section 5 Vacation Scheduling

(a) Vacation should be requested at least eight (8) weeks in advance. Vacation requests will be granted or denied within fourteen (14) days of the request. Vacation requests will be granted on a first come basis. Vacation requested less than eight (8) weeks in advance will be approved only when consistent with operational needs. A department may continue to use current practices if different from what is provided in this Section.

(b) Management will determine the number of employees who can be off on each unit based on staffing and operational needs.

(c) If an employee transfers to another unit, scheduled vacation that was approved on their prior unit will be honored when consistent with operational needs.

Section 6

The maximum vacation accrual shall be equal to one hundred and fifty percent (150%) of an employee's annual accrual. Employees will not be compensated for vacation time not taken. Employees may be paid for accrued, but unused vacation at termination of employment as provided for in Article 27 Resignation.

Section 7

Employees may not change approved vacation days to sick time under any circumstances.

Section 8

Employees are not permitted to schedule vacation time for a date when they will not have accrued vacation.

Section 9

Section 10

Employees may request vacation time for more than two (2) consecutive weeks as long as the department can be covered.

ARTICLE 22 - SICK LEAVE AND ATTENDANCE

Section 2 Eligibility and Benefits

(a) Full-time and part-time employees accrue sick days at a rate of one sick day per month during the first ten (10) months of the fiscal year (July through April) to a maximum of eighty (80) hours per fiscal year. Full-time employees hired for forty (40) hours per week accrue sick leave at 3.70 hours per pay period. Full-time employees hired for thirty-six (36) hours per week will accrue sick leave at 3.33 hours per pay period. Accrual is pro rated for part-time employees who are scheduled for twenty (20) hours per week or more based on their scheduled hours of work. Accrual will begin at the date of hire or change to a benefit eligible status, but may not be used until completion of the employee's probationary period. Per diem employees and part-time employees who are hired to work less than twenty (20) hour per week are not eligible for sick leave, vacation, personal time or other leave benefits except as required by law.

(b) Unused sick leave may be accumulated without maximum.

(c) No sick leave will be paid to an employee who is absent as a result of injury or illness while working for another employer.

(d) Sick leave shall be paid at the employee's base rate of pay excluding premiums and differentials.

Section 3 Notification and Proof of Illness

(a) An employee who is absent must provide notice in accordance with the existing guidelines for reporting absences in the employee's department.

(b) Corrective action under the Attendance Policy will occur in sequence such that employees must receive a written warning before receiving a suspension and must receive a suspension before being terminated.

(c) In lieu of any provisions that relate to the use of Philadelphia Paid Sick Leave, which does not apply to employees covered under this Agreement, full-time and part-time employees who have completed their probationary period may use up to forty (40) hours each calendar year for their own absence for medical reasons, to care for a family member (as provided for in the policy covering non-union employees) or for leave necessary due to domestic abuse or sexual assault before incurring any occurrences. Proof of the need for the absence may be required.

ARTICLE 23 - LEAVES OF ABSENCE

Section 1 Family and Medical Leave

Employees will be entitled to leave under and will be required to abide by the provisions of the Family and Medical Leave Act ("FMLA") as administered by the Company and/or its officially designated representative.

Section 2 Jury Duty

An employee must immediately inform their supervisor and submit a copy of the jury duty summons to their supervisor if called for jury duty. Full-time and regular part-time employees who have completed their probationary period will be paid their regular wages for the time lost.

An employee is expected to work their regular schedule, if needed, when notified that they are excused from jury duty in advance of reporting.

An employee who regularly works night shift will be considered to be on jury duty for any shift on which the employee is scheduled beginning the evening of a day in which they have served jury duty, or who is scheduled for jury duty the day after a scheduled night shift.

This provision shall not require payment for two shifts. A night shift employee who is scheduled to work both the night before and the night immediately following their jury service shall notify their manager within forty-eight (48) hours of receiving a summons, and shall work with their manager to attempt to adjust their schedule for one of their two shifts, so as not to incur a loss of pay for the week. Such requests to adjust the night shift employee's schedule shall not be unreasonably denied.

Section 3 Unpaid Medical Leave

A regular full time employee with a minimum of one (1) year of TUHS seniority, as defined in Article 7 - Seniority, may request an unpaid leave of absence for the employee's own illness once they have exhausted any leave available to them under the FMLA or any other leave policy. A

leave of absence under this Section must be for a stated period of time, not to exceed twelve (12) calendar months from the employee's first day of absence. An unpaid leave of absence under this section that is granted for a period of less than twelve (12) calendar months may be renewed up to a maximum period of one (1) year of total, continuous absence, including time spent on FMLA, from the employee's first day of absence.

An employee who is granted a leave of absence pursuant to this Section is not guaranteed re-employment. If the employee's position is available, the employee will be returned to their position. If the employee's position is not available, the employee will be given priority consideration for vacancies that the employee identifies for which they qualify. These openings may or may not be at the employee's prior pay level and status. Employees may also apply for openings in other TUHS facilities if they choose to do so. An employee who fails to report for work on the first working day following the expiration of an authorized leave of absence will be deemed to have resigned their position as of the last day actually worked unless an extension is granted by CHH.

Employees not otherwise eligible for a leave under this Section may apply for a medical leave of absence in accordance with the Non-FMLA Medical Leave section of the TUHS Miscellaneous Leaves Policy, #950.585.

Employees shall be granted an absence of eight (8) hours with pay in the event of the death of a sister-in-law or brother-in-law. An employee's supervisor shall be notified in advance before any such leaves are taken.

Section 7 Educational Leave

With the permission of CHH, educational leaves to further professional growth and advancement may be granted to full-time and regular part-time employees for up to twelve (12) months without pay. An employee who is granted a leave of absence pursuant to this Section is not guaranteed re-employment. If the employee's position is available, the employee will be returned to their position. If the employee's position is not available, the employee will be given priority consideration for vacancies that the employee identifies for which they qualify. These openings may or may not be at the employee's prior pay level and status. Employees may also apply for openings in other TUHS facilities if they choose to do so. An employee who fails to report for work on the first working day following the expiration of an authorized leave of absence will be deemed to have resigned their position as of the last day actually worked, unless an extension is granted by CHH.

Section 8 Union Leave

An unpaid leave of absence for a period not to exceed one (1) year shall be granted to employees with at least one (1) year of bargaining unit seniority in order to accept a full-time position with the Union, provided that such leaves will not interfere with the operation of CHH.

An employee who is granted a leave of absence pursuant to this Section is not guaranteed re-employment. If the employee's position is available, the employee will be returned to their position. If the employee's position is not available, the employee will be given priority consideration for vacancies that the employee identifies for which they qualify. These openings may or may not be at the employee's prior pay level and status. Employees may also apply for openings in other TUHS facilities if they choose to do so. An employee who fails to report for work on the first working day following the expiration of an authorized leave of absence will be deemed to have resigned their position as of the last day actually worked.

Section 9

While on unpaid leave, an employee shall not be entitled to earn holiday time, nor to accrue sick time or any other paid time off. Except as provided under the FMLA or the provisions of certain disability plans provided for by this Agreement, all benefits shall cease while an employee is on unpaid leave, unless the employee makes arrangements to pay the full cost of such benefits under COBRA when available.

Section 10

As a condition of reinstatement following a leave of absence for the employee's illness, CHH may require the employee to be cleared to return to work by a health care provider. CHH reserves the right to have an employee examined by a TUHS occupational health care provider or another health care provider of CHH's choosing.

Section 11

Except as provided in this Article, employees on leave shall not be permitted to work elsewhere during such leave without receiving approval in advance for activities which are not inconsistent with the purpose of the leave and will not have the effect of extending the leave of absence. Violators will be terminated.

Section 12 Parental Leave

Effective July 1, 2025, CHH will provide one (1) week of paid parental leave following the birth of an employee's child or the placement of a child with an employee in connection with an adoption under the conditions described below. This leave will run concurrently with FMLA or other leaves taken by the employee and must be completed within twelve (12) calendar months of the child's birth or placement.

Full time employees are eligible for the leave if they have been employed with CHH for at least twelve (12) consecutive months and have worked at least 1,250 hours during the twelve (12) consecutive months immediately preceding the date that the leave would begin. The employee also must meet one of the following criteria: have given birth to a child (this does not apply to a surrogate or donor); be the parent of a newly-born child (this does not apply to a surrogate or donor); or have a child who is under the age of 18 years old placed with the employee for adoption. (d) A pool employee who fails to schedule and work the minimum required shifts in two consecutive scheduling periods will be considered a voluntary resignation.

(e) Pool employees are expected to follow all department rules, regulations and policies and to work the scheduled shift(s) assigned.

(f) The opportunity to work will be provided on an equitable basis to pool employees who make themselves available, based on CHH needs, the availability offered by the pool employee, and the competencies of the pool employee, where applicable.

Section 3

Pool employees may cover the shifts of regular full-time and part-time employees, subject to the approval of the manager. Such approval shall not be unreasonably denied. Such covered shifts shall not count toward their work commitment under this Article. CHH may decline to approve such covered shifts if it would cause overtime for the pool employee.

ARTICLE 30 – SEPARABILITY

It is understood and agreed that all agreements herein are subject to all applicable laws now or hereafter in effect; and to the lawful regulations, rulings, and orders of regulatory commissions or agencies having jurisdiction. If any provision of this Agreement is in contravention of the laws and regulations of the United States or of the Commonwealth of Pennsylvania, such provision shall be superseded by the appropriate provision of such law or regulations, so long as same is in force and effect; but all other provisions of this Agreement shall continue in full force and effect.

ARTICLE 31 – STAFFING AND JOINT PRACTICE COMMITTEE

Section 1

No later than three (3) months after the ratification of this Agreement, the parties shall establish a Joint Practice Committee (JPC) to promote dialogue between direct caregivers and management for the purpose of enhancing professional practice and the highest levels of patient care. The JPC shall not engage in negotiations, nor shall the JPC consider matters that are properly the subject of a grievance.

Section 2

The Union will designate no more than five (5) members of the Committee. CHH will designate an equal or lesser number of managers representing different departments to attend based on the subjects on the agenda. The number of members may be adjusted by mutual agreement.

Section 3

The JPC will meet every other month for one (1) hour at mutually convenient times, unless otherwise agreed by the parties. The Union will provide a proposed agenda at least one (1) week in advance, but will make a good faith effort to request attendance by specific managers at least two (2) weeks in advance. CHH may also add things to the agenda in advance.

Section 4

CHH will work with the Union in providing coverage for the duration of the meeting for committee members who are scheduled to work during the designated meeting times if the committee is unable to find a time when no bargaining unit committee members are scheduled to work. As with Labor Management meetings, employees who are released from work by management for the meeting will not be required to clock out when attending the meeting.

Section 5

The JPC will be given access to certain information relevant to the practice of covered employees for the purpose of making recommendations on enhancing professional practice.

Section 6

Management will respond in writing or at the next JPC meeting to recommendations made by the JPC.

Section 7

CHH has the sole and exclusive right to establish and change staffing guidelines consistent with operational needs and management judgment.

If CHH changes the staffing guidelines for a department, it will notify the JPC in advance of making the change to the guidelines and give the JPC the opportunity to provide feedback on the change.

ARTICLE 32 - SCOPE OF AGREEMENT

During the negotiations resulting in this Agreement, CHH and the Union each had the unlimited right and opportunity to make demands and proposals with respect to any subject matter as to which the applicable law imposes an obligation to bargain.

This Agreement contains the entire understanding, undertaking and agreement of CHH and the Union, after exercise of the right and opportunity referred to in the first sentence of this Article

This Agreement revokes all and every previous agreement, practice, privilege and benefit relating to the employees or any one or more of them covered by this Agreement, which were in effect prior to the execution of this Agreement. This Agreement and any amendments or supplements thereto become effective following ratification by the membership.

ARTICLE 33 - TERM OF AGREEMENT

Section 1

This Agreement shall be in full force and effect from the date hereof until 11:59 p.m. on June 30, 2028, and from year to year thereafter, unless one of the parties to this Agreement serves written notice of its desire to amend or terminate this Agreement upon the other party not less than ninety (90) days before the expiration date or any anniversary date thereafter. The party serving such opening notice shall include with such notice a statement of its proposed changes. Should neither party serve timely notice upon the other party, the Agreement shall automatically renew for twelve (12) months from the expiration date.

Section 2

In the event the parties do negotiate for an amendment or termination of this Agreement, the Union agrees to provide CHH with a written notice

with any intention to strike at least ten (10) days before any strike commences. This notice shall contain the date and time the strike shall begin, though the notice may be extended by written agreement of the parties. This requirement to provide a ten (10) day strike notice shall survive the expiration of this Agreement and any renewal or extension thereof.

IN WITNESS THEREOF, the parties hereto have caused this Agreement to be signed in their respective names by their respective representatives thereunto duly authorized.

Side Letter: Tech Incentives

1. Either party will have the right to terminate this side letter upon expiration of the collective bargaining agreement by providing notice at least ninety (90) days before the expiration of the initial collective bargaining agreement or any renewal thereof.
2. When management determines that there is an open shift that needs to be filled, an employee who picks up such open shift more than seventy-two (72) hours before the start of the shift will be paid \$22.50/hour in addition to their base pay.
3. When management determines that there is an open shift that needs to be filled, an employee who picks up such open shift less than seventy-two (72) hours before the start of the shift will be paid \$13.50/hour in addition to their base pay.
4. Shifts may also be offered as extra, non-incentive shifts in the discretion of management. Whether a shift is being offered as an incentive shift will be specified at the time the shift is offered.
5. CHH may continue to provide incentives in addition to those listed in this side letter for extra shifts on an as-needed basis.
6. When management determines that there is a hole in the schedule or other open shift that needs to be filled that is known to management at least seventy-two (72) hours in advance, it will take actions that may include the following before mandating staff:
 - a. Contact pool staff;
 - b. Contact qualified staff to offer voluntary additional hours or overtime;
 - c. Offer financial incentives as set forth above;
 - d. Utilize agency personnel, if applicable.

7. This side letter is not intended to reduce the amount of the incentive being offered by any department that currently offers an incentive that is greater than the levels in this side letter.
8. The incentives under this side letter do not apply to people who pick up additional on call shifts. This side letter is not intended to reduce the amount of the incentive being offered by any department where employees receive incentives for picking up additional on-call shifts.
9. Any staff who are mandated to work an overtime shift will receive incentives as provided for in this side letter. This does not apply to completing a procedure/assignment.
10. In order to be eligible for incentive shifts under this side letter, pool employees must first work at least two full shifts in a pay period. The scheduling of these shifts will be in accordance with the requirements set by their Department.
11. The Union agrees that this side letter does not require CHH to fill any shift that it does not deem it necessary to fill, does not require CHH to offer incentives for any shift except as provided in paragraph 6, and does not prevent CHH from cancelling any incentive shift in accordance with the terms of the collective bargaining agreement.

Letter of Agreement – Pool and Per Diem Sick Leave

Per diem and part-time employees who are hired to work less than twenty (20) hours per week who have accrued but unused sick time pursuant to the Philadelphia Paid Sick Leave Ordinance at the time of ratification will be permitted to use that accrued sick time through December 31, 2025, but will not accrue any additional sick time following ratification of this Agreement. Per diem and part-time employees who are hired to work less than twenty (20) hours per week who have accrued but unused sick time pursuant to the Philadelphia Paid Sick Leave Ordinance in their bank as of December 31, 2025, will be paid out for such time.

Letter of Agreement – Senior Positions in Radiology

Employees who are assigned to work in multiple modalities will be designated as Seniors. To be eligible for the Senior position, an employee must be qualified to and willing to work in at least two modalities. An employee will be designated as a Senior position for their primary modality (i.e., the one in which they are regularly scheduled to work at least 50% of the time). Senior employees may be assigned to work in any modality for which they are qualified. Upon hire into a Senior position, an employee will receive an increase of \$2.00 per hour over their base hourly rate for their primary modality under the negotiated wage scales, except that an employee who is a Senior who works in mammography and another modality will receive an increase of \$5.00 per hour over their base hourly rate for their primary modality. This increase will be applied to all hours paid, including vacation, sick and holiday time. If an employee in a Senior position ceases to be qualified to work in multiple modalities or declines to work in multiple modalities, the employee will be transferred out of the Senior role and \$2.00, or \$5.00 for a Senior working in mammography, will be removed from their wage rate.
